

DRAWING FROM THE PAST: A HISTORY COMICS WORKSHOP

Program: Drawing from the Past: A History Comics Workshop

Dates: Saturday, September 28, 9:30 to 11:30 a.m.

Location: 30 Park Street, Concord, NH 03301

Join cartoonist Marek Bennett for a hands-on Comics Workshop exploring the wide world of history comics! Using blank paper, pencils, ink, and four basic “storytelling elements,” we'll dig deep into the rich archives of the New Hampshire Historical Society and create eye-catching pages of original artwork that share surprising pieces of the Granite State's unique history. Learn how artists and authors use peer feedback to improve their work and how you can publish your comics to share with friends, family, and new readers. No experience required—everyone can draw comics! This workshop is recommended for kids ages 10+; family groups are encouraged to attend together. Space is limited, and advanced registration is required. Registration is \$12 per child; up to two adults per child may attend for free. Members of the New Hampshire Historical Society are \$10 per child. To register, mail this form with payment to Christopher Moore, New Hampshire Historical Society, 30 Park Street, Concord, NH 03301, call 603-856-0621 to register by phone and pay by credit card, or register online through Eventbrite.
